President's Message

As we approach the end of the year, there is still so much RHGC has planned. The Golf Ball in Bahrain this upcoming weekend is the last and biggest of all RHGC social events. It is a lot of fun and a great way to close the year. There are still a few tickets left. Please see page 9 for more details.

The Club Championship is in two weeks. It is a great way to test yourself against other members and the course itself. The course has never been in better condition following the AIT. There is still time to sign up. Please see page 9 for tournament information.

As we have announced before, Community Services is introducing a new method of hiring consultants and coaches for self-directed groups. This has had a direct impact on RHGC bringing in the new teaching Professional. We are exploring alternative methods to have them here in early January. We will announce more information as soon as we have it.

If you have ever thought about helping out RHGC and being part of the Board, now is your chance. RHGC is looking for Appointed Directors to help plan RHGC events and Club business. There are many positions for people with different talents. Please see page 6 for a list of the positions.

Lastly, I hope you have a great end of 2024. The RHGC Board is already busy planning 2025 to make it the best year yet for RHGC.

Bruce

Tuesday Night League

November saw the exciting finale of the 2024 Fall Season of Tuesday Night League (TNL). Over 9 weeks, 19 teams, split into two divisions, played each of the other teams in their division in a round-robin tournament, playing a Greensomes match-play format. In one of the closest seasons ever, all four podium places were fiercely contested all the way through the last round, with only half a point separating 1st from 4th in Blue Division and White Division ending in a dead-heat for the top spot, with no way to separate the teams using any approved countback method. Congratulations to the winning teams for both divisions as follows:

Blue Division:

Wins:3, Losses:1, Ties:3

Matthew Bateson & David Johnston

White Division:

Wins:5, Losses:1, Ties:2

Manu Pillai & Fung Lu

Sammy Kim & Ifeanyi Uche

Registration for the 2025 Winter Season for TNL will open on December 2nd, so plan your teams and be ready when it's open. The season will run from January 14th through to approximately March 11th (depending on number of teams that sign up, with a limit of 20 teams total). The format will be Fourball, which will be excellent practice for the 2025 Ryder Cup and President's Cup! When registering teams for this next season, you will initially only register your two primary team players. Once registration closes, the tournament organizer will contact all teams to check for any alternative players for their teams. Don't wait, plan ahead so you don't miss out on this fun and exciting team competition.

Registration is open to **everyone!**

Match Play Series

The 2024 year-long Match Play Series concluded mid-November after almost 100 matches were played and won. The different series comprise 4 – 6 rounds, depending on the number of entrants, that are spread throughout the year. Matches are arranged by the players/teams to fit their own schedules, with the winners proceeding to the next round to meet a new opponent, until only 2 players/teams are remaining to compete for the championship. For 2024, we congratulate the following winners of each series:

Teams	Singles	A-Flight	B-Flight	C-Flight
Geonyoung Kang / YoungKyong Ahn / Chulsoon Choi*	Simon Evans	Gertjan De Jong	Abdelbaki Boukbira	Manu Pillai
				

* Chulsoon Choi was an approved replacement for YoungKyong Ahn after Mr. Ahn retired prior to the end of the series.

The 2025 Match Play Series are now open for Registration, with the following round dates tentatively planned depending on the total number of entrants. If you plan to sign up, please review the dates and ensure you are available for each round as failure to complete a match within the scheduled round results in a forfeit. You can read about each series on the RHGC Website.
